Dear MSAD #56 Residents:

Below is the MSAD #56 District Report Card as required by "No Child Left Behind". Also included are some charts to simplify the required documents at the Federal/State level.

We use all data to guide the decision making of our Board of Directors and staff for the current year as well as upcoming years. We hope it will give you a better understanding of where we are.

Thank you for supporting our schools. We invite you to visit and become involved at whatever level feels comfortable for you. Our communities and your input are important to us as we move into changing times in education.

Sincerely,

Mary A. Szvec
Superintendent of Schools
