

Where Did the Summer Go?

The 2008-09 school year is a potentially interesting year with the new consolidation statute. With the above in mind, the Board of Directors decided to fill the superintendent vacancy with an interim superintendent. This, in my opinion, was an excellent decision on their part for several reasons. Please be informed that there will be two meetings held to discuss the proposed plan for consolidation with MSAD #34. The meetings will be held at the Waldo County Technical Center at 7 pm on Wednesday, September 17, and 7 pm on Thursday, September 18, 2008. I look forward to seeing you all there.

I'm pleased to be back in MSAD #56 and it appears I will be with you until June 30, 2009.

The MSAD #56 Board of Directors, staff, and administration look forward to a very productive year for you and most importantly, the students of MSAD #56.

Raymond L. Freve
Superintendent of Schools
