

PUBLIC INFORMATION PROGRAM

In an effort to meet the needs of the community by promoting information about events, noteworthy facts, statistics, plans and reports regarding MSAD #56, and to gain the necessary community support to meet those needs, the Board will encourage two-way communication between the Board and the public. The Board delegates to the Superintendent and administration the authority to implement a communications program for MSAD #56 to:

- A. Encourage a better understanding of the goals, programs, needs and accomplishments of the school unit;
- B. Provide planned, systematic, two-way communication channels between the schools and the community;
- C. Include the use of a variety of media such as meetings, letters, newsletters, publications and personal contacts; and
- D. Provide and communicate procedures for addressing public complaints and concerns.
